internet

All you wannabe whizz-kids can tap into the Cartoon Network's website at www.cartoon-network.co.uk for on-line's greatest toon experience! It's easy to use and is bursting with games, competitions, pictures and previews all about the animated antics of Cartoon Network's top toon stars! Miss this and miss out! What are you waiting for?

DEE DEE'S DODGEBALL

Dexter's loopy sister Dee Dee is looking for a volunteer to practice her ball bouncing skills on. She's decided that her brother's head is the perfect target. Help her find his hiding place and then...wham! A direct hit!

TOON FILES

Attention all fact fans! Learn everything there is to know about your favourite characters by searching Cartoon Network's very own Toon Files! Height, weight, history - the lot! If that's not enough, then help yourself to FREE pics and sound effects! Yum, yum!

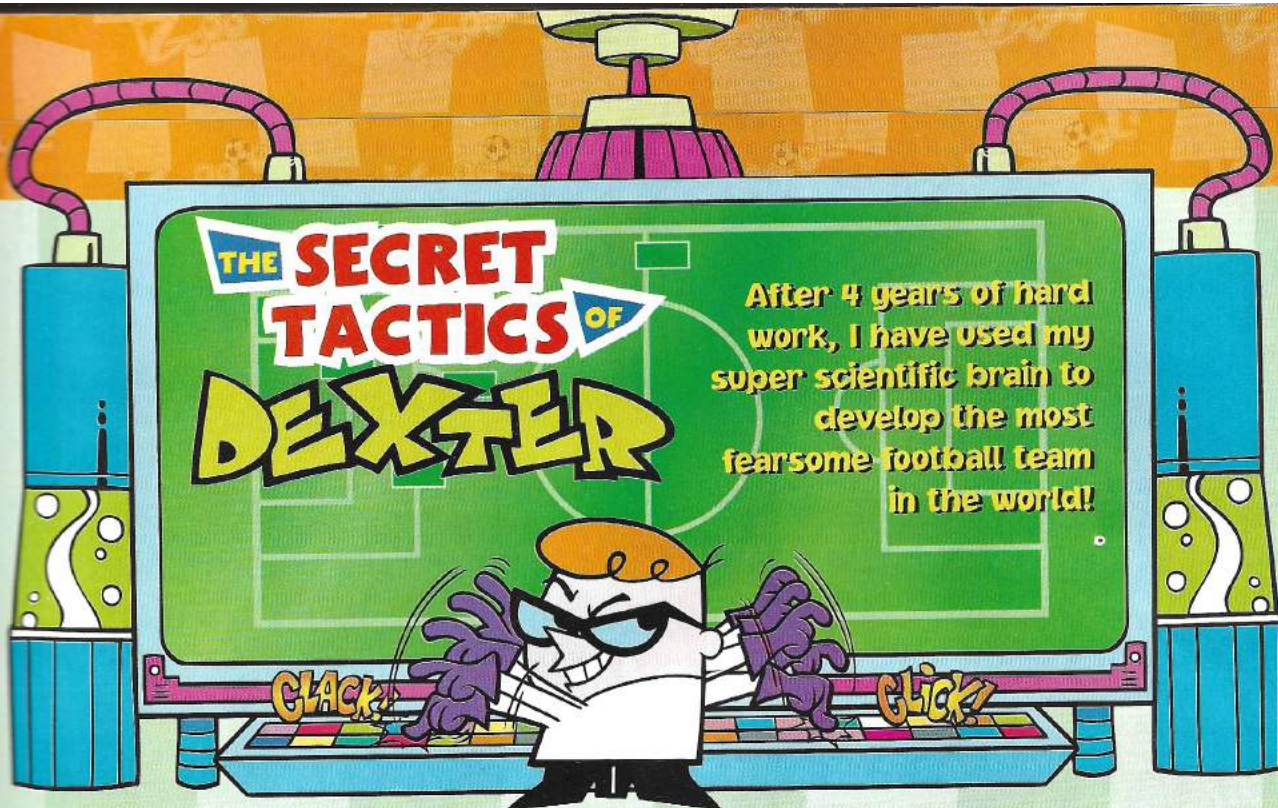

COMP CRAZY!!!

What's the opposite of small? Oh yes - big? Bigger?! HUGE! That's about the size of The Great Toon Challenge, which takes place each and every week on the hottest toon website around. Dabble with dinosaurs, creep through a haunted forest and float through space, collecting points as you go to win eye-popping prizes! Also, check out our Networked pages this very issue for a chance to win a Cartoon Network mousemat and a VIP T-shirt in our exclusive Website Mega-Byte Competition!

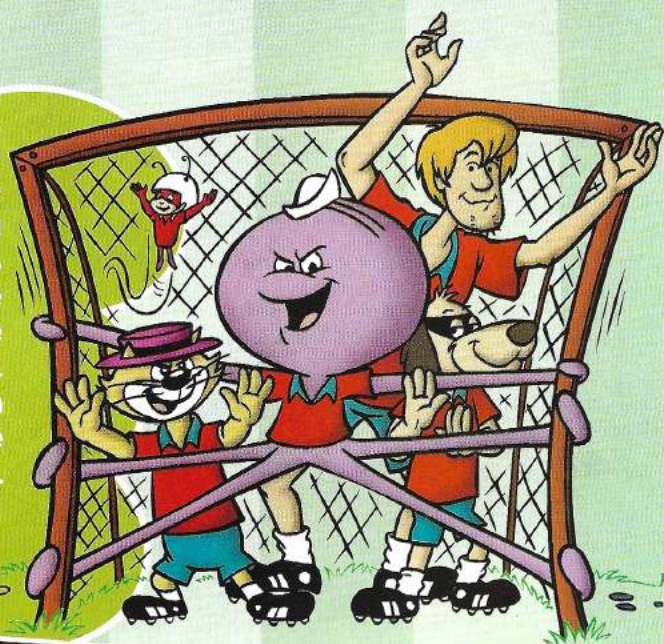

TOON TIME

Find out what time and which day your favourite show is screening, so you can plan the month in advance. Don't forget to eat, sleep and wash your hair, or you could just leave it to grow greasy and watch more cartoons instead!

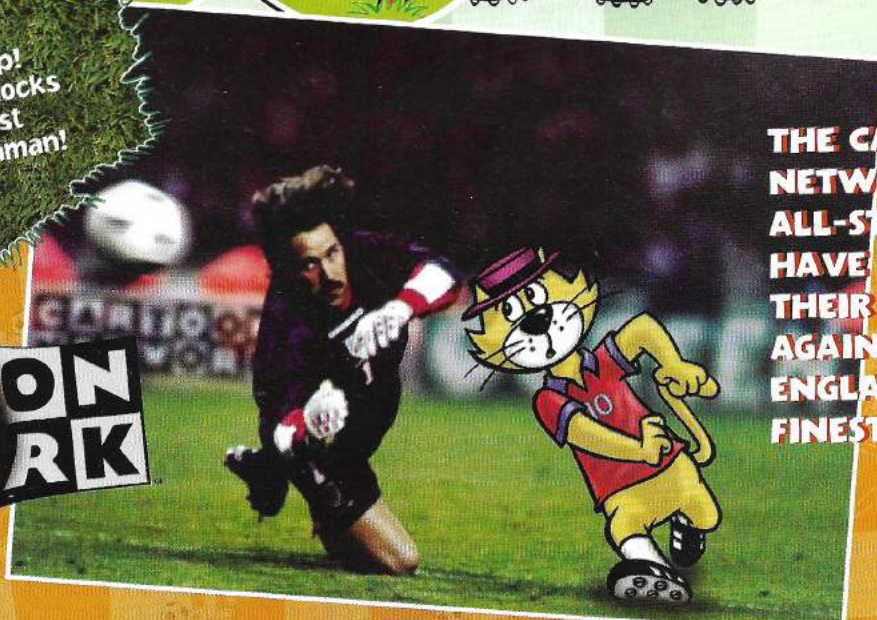

EXTREME DEFENCE

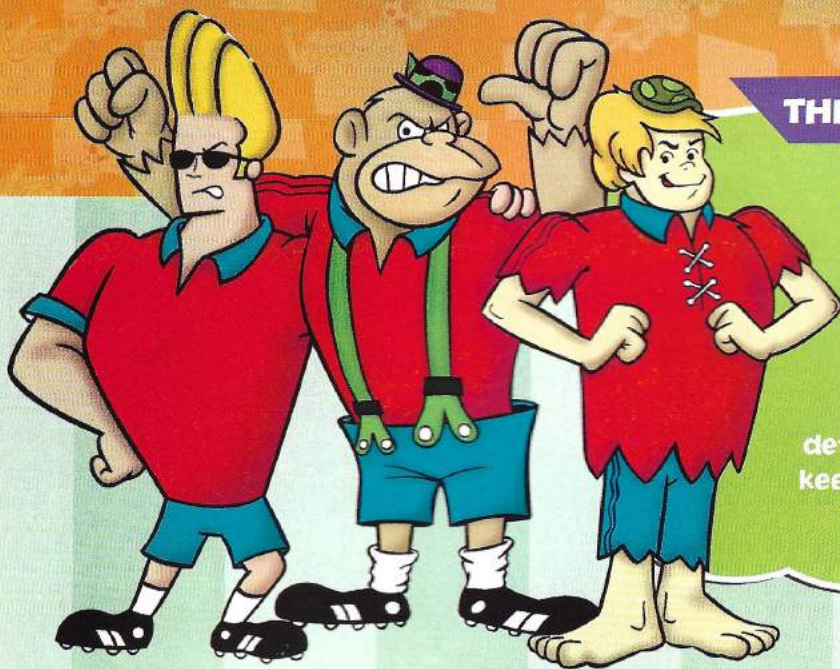

My research has led me to conclude that sometimes the only thing that counts is a strong defence. My team is armed and ready with the tightest defence that the world of soccer has ever seen. There is no gap through which an enemy ball can enter the goal and ruin our chances.

THROWING WEIGHT AROUND

If we urgently need to score a goal, I will bring out my most dangerous plan of attack: three heavy-weights, who I have trained to flatten any defence that attempts to keep them from reaching their goal. No one can stop them.

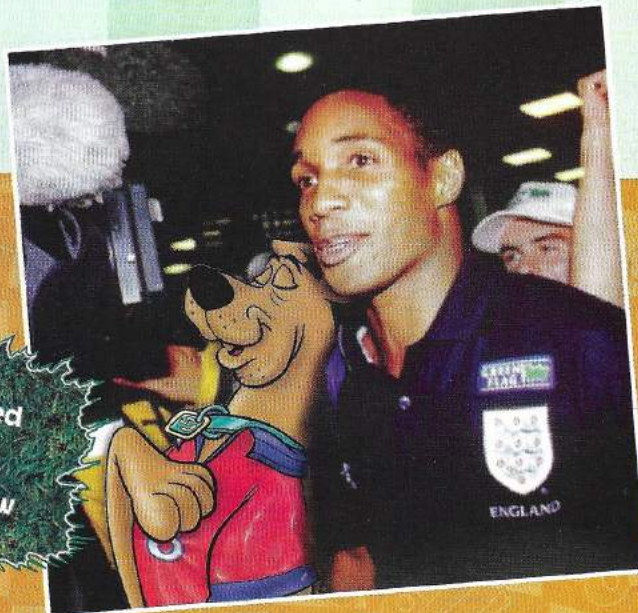

DOGGED MIDFIELD

Midfield is the most difficult position to play. I have determined that midfield players need to be doggedly persistent and ultra loyal to the team. I have two players who have been boning up on the art of midfield play and they fit the bill perfectly...

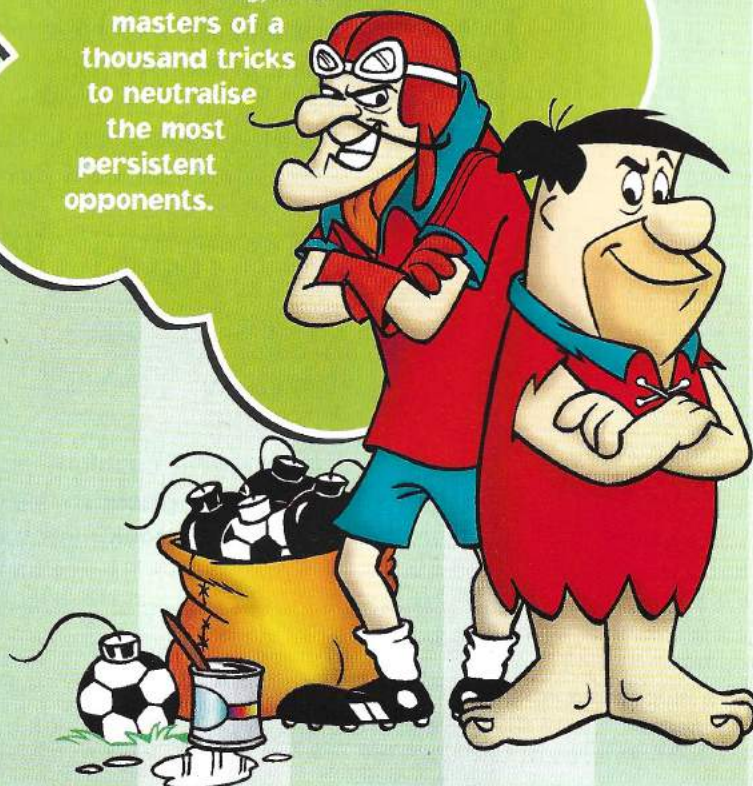

All I Know I Learned From...A Dog?!
Scooby coaches Paul Ince in interview techniques!

PLAYING THE CARD OF EXPERIENCE

If things start to go against us, I rely on my two mainstays: veterans of thousands of championships, accustomed to rising to any difficulty, and masters of a thousand tricks to neutralise the most persistent opponents.

TEAM MATES' TALL STORIES

We ponder the imponderable...

Why did Dexter pick Shaggy?

- For his great powers of concentration. (NOT!)
- Because he wants to meet Daphne!
- Scooby-Doo forced him.
- Who knows? (Who cares?!!)

Why were the Two Stupid Dogs not picked?

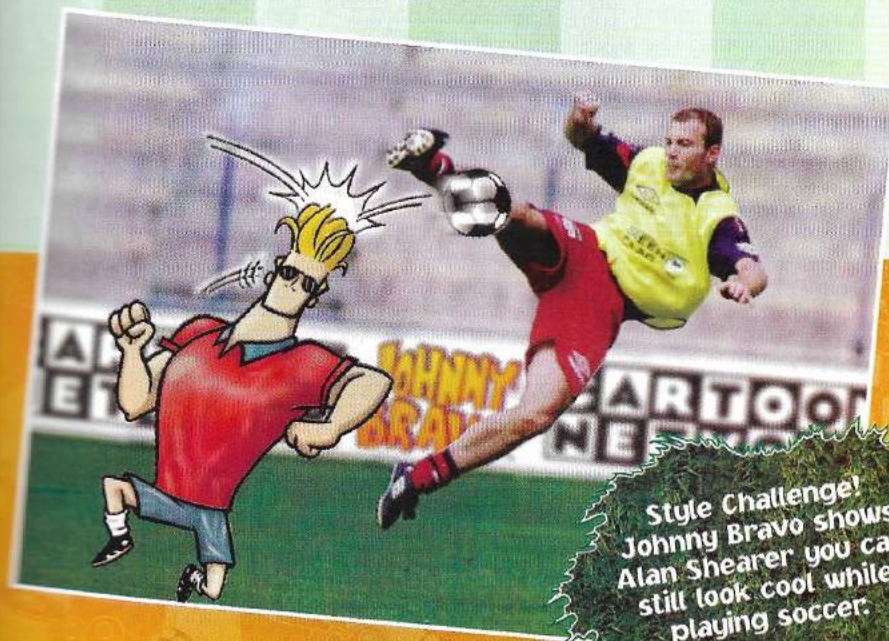

- Because they're terrible dribblers!
- Because their name is a dead give-away!
- There were already too many dogs on the team.
- Because they'd eat the ball every chance they got!

Why is Squidly Diddly the goalkeeper for the Cartoon Network All-Stars?

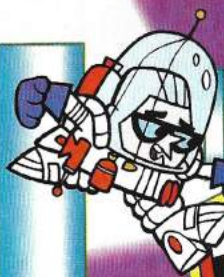

- He's 'armless' enough.
- Because he handles the ball well.
- Because he only wanted a few squid!
- No one else wanted the job!

Why did Dick Dastardly agree to play without Muttley?

- Because Footy is a serious game!
- Because we've already said they weren't accepting more dogs.
- Someone had to stay at home to fix the car!

Style Challenge!

ANIMANIACS AMAZING FACTS!

Increase your know how of the Animaniacs with the following titbits of tasty toon trivia about those crazy cartoons who've recently set up camp at the home of the top toon stars: Cartoon Network.

- 1- The three Animaniacs - who are not a member of any known species (other than Animaniacs!) - are Yakko, Wakko and Dot.
- 2- The Animaniacs are neighbours to the famous Looney Tunes like Daffy Duck, Bugs Bunny and Road Runner - all of which can be seen on Cartoon Network.
- 3- The Animaniacs live in a water tower which is located on the famous Warner Bros. studio lot in sun-drenched Los Angeles, U.S.A.!
- 4- Thirty musicians play music to accompany each cartoon. They actually compose original music for each cartoon all for your toon viewing, ear pleasing pleasure!
- 5- The Animaniacs were actually created by Steven Spielberg - the man who made all those dinosaurs come to life in Jurassic Park.

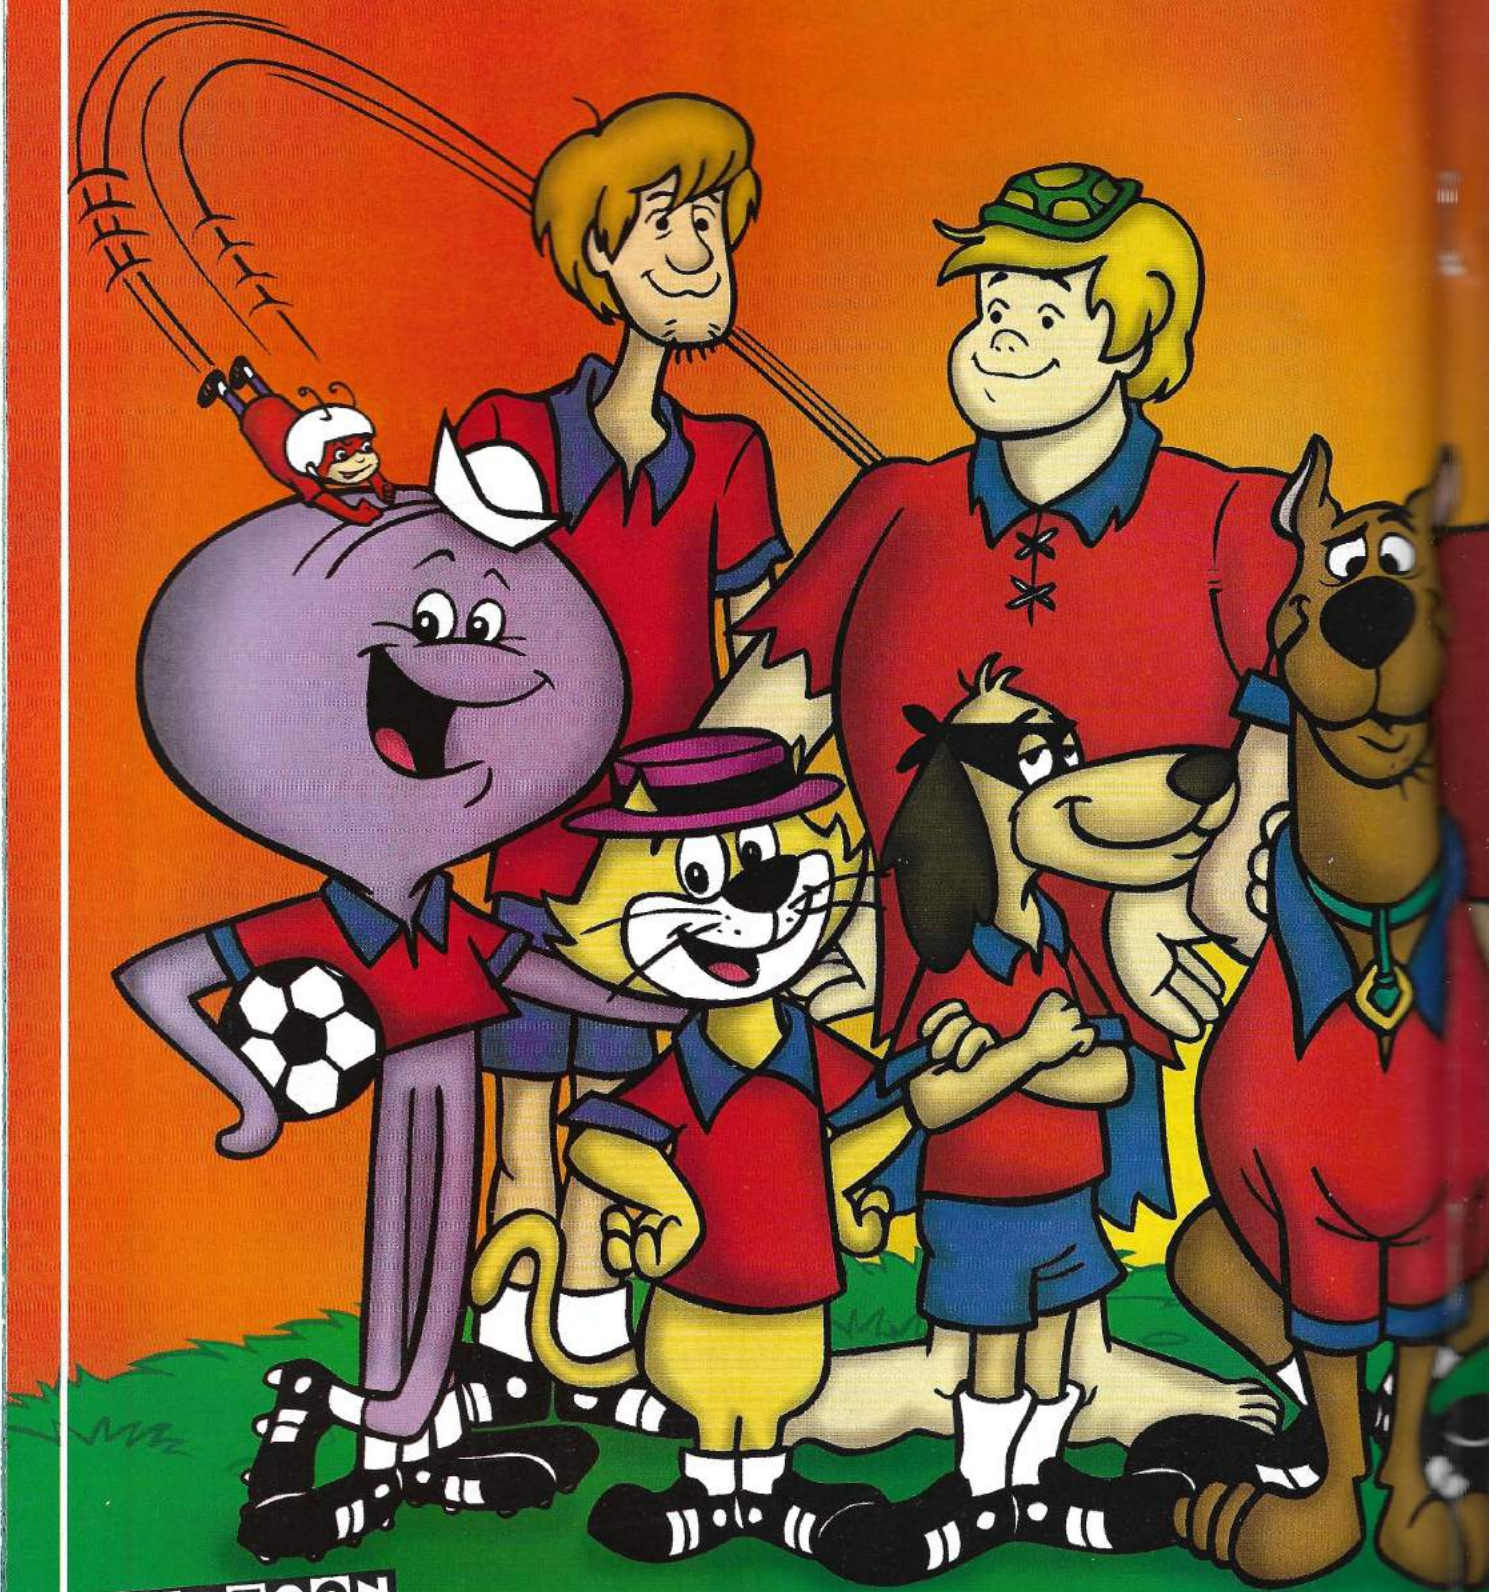

At the end of each episode - amongst the credits which roll at the end - there are jokes. Send in the funniest ones you spot and we'll try to run as many as possible in future issues of the magazine!

HALF TERM!

How about an Animaniacs Monday, Scooby Tuesday, Dexter's Wednesday, Tom & Jerry Thursday and a Flintstones Friday? Go totally cartoon crazy with these top toons on the hour every hour for a whole day! Plus, a mix of all your other favourite toons in-between!!
